## Honorable Achievements

<b>National Merit Scholarship Finalist</b>	<b>National Honor Society Member</b>
<b>Third place winner DECA State competition</b>	<b>Tri-M Music Honor Society Member</b>
<b>Model UN Best Position Paper and Best Novice</b>	<b>School Honor Roll – Grades 6 – 11</b>

## School Activities

### Model UN Delegate and Chair Grades 9, 11, 12

Debated in conferences such as JHUMUNC and TECHMUN in both general assemblies and advanced committees. Chaired over a Social, Humanitarian, and Cultural Issues committee in SJMUN 2018.

### Varsity South Jersey Debate League Grades 10, 11, 12

Participated as both an affirmative and negative debater in the South Jersey debate league. The various debate topics included use of educational budgets and current immigration policies. Acted as a varsity debater in senior year.

### School Orchestra Grades 4-12

Playing the viola since 4<sup>th</sup> grade. In high school sophomore and junior year, selected to join an ensemble that played at community events. Junior and Senior year, elected as secretary of the school orchestra to assist with organizing practice rehearsals and music events.

### DECA Grade 10

Won at Regional and State level, and competed at National level of DECA 2016, individual selling category.

### AP Computer Principles and Computer Programming Grades 11,12

Learning computing fundamentals, algorithm principles and programming using Java and Python.

## Work/Volunteer Experience

### Head Teaching Assistant (5 hrs/wk) Sept '16-Present

Kumon Math and Reading Center, NJ

Working as a tutor to kids of all ages at Kumon in the subjects of math and reading. In addition to sitting down with kids individually if they need help learning a new concept, or a specific problem within a set, I also facilitate other assistants to help improve overall productivity.

### Intern Digital Marketing (5 hrs/wk) July '18-Present

MetaSense Inc., NJ

After Junior year, started as summer intern at Metasense Inc. Tasked with learning and using software InfusionSoft to create automated advertising campaigns, which challenged my creativity and technical skills. Automated certain manual tasks using click automation software I had used while gaming at home. Continued working as a part-time employee after the internship was completed.

### Library Volunteer (4 hrs/mo) Sept '15-Present

Camden County Library, NJ

Volunteering at my local library setting up community events, and performing general services around the library. Also a member of the Teen Advisory Board which consists of a few members who propose future ideas or events to the librarians.

### Math Tutoring (1 hr/wk) Oct '18-Present

Providing weekly math tutoring to a sophomore student in Geometry.

## Hobbies

Video Games      Video Editing      Reading Fantasy novels      Learning Computers      Digital Design
